Utah State University

Utah State University was founded as a land grant agricultural college in 1888 and is now a major research university. The oldest building on campus is Old Main. Its tower with the "A" (for Aggies) on top is visible from most of Logan.
Old Main Hill, 435-797-1000

Historic Downtown Walking Tour, Shops and Restaurants

Pick up a 45-minute downtown walking tour guide at the Visitors Bureau. Don't miss the Bluebird Cafe, the Logan Tabernacle or the Episcopal Church. The Logan Center Street Historic District (listed on the National Register of Historic Places) features homes, churches and the old courthouse in Classical Revival, Prairie School and Late Victorian styles.

Logan Temple

The Church of Jesus Christ of Latter-day Saints Temple is an easily visible icon of the Cache Valley landscape. Built from 1877-1884 by the donated labor of early pioneers. The modified Gothic building rests on a terrace of the ancient Lake Bonneville, and the exterior was built out of limestone and sandstone quarried locally. Access to the temple interior is reserved for Church members in good standing, but the beautifully manicured grounds are open to the public.
175 North 300 East, 435-752-3611

Logan Tabernacle

The Tabernacle was completed in 1891 and is a striking example of an early Mormon pioneer public meetinghouse. Used for Church conferences, community concerts and other presentations. Visitors are welcome. An extensive genealogy library is located in the basement and volunteers can help you research your ancestors. Free tabernacle tours available Mondays through Saturdays throughout the summer.
50 North Main Street, 435-227-0013

Hardware Ranch and Elk Refuge

Winter adventures include horse-drawn sleigh rides to view hundreds of wintering elk. Open for fishing and outdoor recreation during the summer. Located 25 miles southeast of Logan at the end of Hwy 101 in Blacksmith Fork Canyon.
435-753-6202

Logan Canyon National Scenic Byway

A journey along the Logan Canyon National Scenic Byway offers enough wild natural beauty, diverse recreational opportunities and fascinating stories to satisfy even the most demanding adventurer. This winding stretch of U.S. Hwy 89 runs from the city of Logan to the brilliant blue waters of Bear Lake. It passes through vibrant fields of wildflowers, between vertical limestone cliffs and along picturesque streams brimming with native trout. Ski at Beaver Mountain Resort or snowmobile on thousands of acres of fresh powder. Leave the road behind and immerse yourself in Logan Canyon's vibrant spirit.
